Fall 26 Choreographic Mentorship Project

Application / email to mrrioux@stlawu.edu

Deadline: Wednesday, September 16th

Description of Mentorship project:

You will schedule, hold, and run weekly rehearsals for your choreographic project. Throughout the semester I will visit your rehearsal to see your process and work in progress. We will discuss your process and progress, any challenges you are facing, any questions you have. We will discuss creative possibilities and opportunities as you move forward in your rehearsals. I will challenge you to question and deepen your choreographic practice.

Choreographic Project Proposal:

Please describe your current choreographic idea. What are you proposing to create and present?

How many people are involved? Estimated length of the piece? What technical needs will you have, if any?

Briefly describe your experience with dance / choreography? What do you hope to get out of this experience?
